STAT

Dear Admiral Raborn:

Thank you for your letter concerning the 25th Anniversary Commemoration activities on 18 August. I am very glad that you were present to share the event with us. It was gratifying to see so many of our mutual friends who contributed so much of their life and talents to our country's intelligence during the pioneer days of space technology.

With best wishes.

Sincerely,

ILLEGIB

John McMahon

Deputy Director of Central Intelligence
